My Diary.
My Unexpected Journey.
There and Back Again.
And What Happened After.

J.R.R. TOLKIEN
THE LORD OF THE RINGS

Chapter 1	General introduction	9
Chapter 2	Assessment of dietary copper requirement of the laboratory mouse (NMRI) as based on reproductive performance in four successive generations	17
Chapter 3	The possible role of copper in the development of oxidative stress and associated disease	31
Chapter 4	Lack of oxidative damage in mice after high copper intake	47
Chapter 5	High copper copper intake does not affect longevity of the laboratory mouse	57
Chapter 6	Liver copper content of rats hypo- or hyperresponsive to dietary cholesterol	67
Chapter 7	Genetic and correlation analysis of hepatic copper content in the rat	81
Chapter 8	Quantitative trait loci influencing hepatic copper in rats	93
Chapter 9	Cholesterol and copper in the liver of rabbit inbred strains with	105

differences in dietary cholesterol response

Chapter 10	Mapping of QTLs for hepatic copper in rabbits	119
Chapter 11	Conclusions and summary	131
	Nederlandse samenvatting voor niet-vakgenoten	139
	Dankwoord	145
	Curriculum vitae	151
